

Anti-Overthinking Planner

30 days to break the rumination cycle.

1. Write down the decision you're overthinking about.

2. Write down the pros and cons of each option.

3. Write down the decision you made and why.

4. Write down the decision you made and why.

5. Write down the decision you made and why.

6. Write down the decision you made and why.

7. Write down the decision you made and why.

8. Write down the decision you made and why.
